NDA Releases 2023 National Policy Agenda

[Washington, DC] – Today, the National Demolition Association (NDA) released their 2023 National Policy Agenda which outlines a comprehensive advocacy agenda for the demolition industry in the upcoming year.

"The National Demolition Association is excited to partner with Congress and the White House on a policy agenda for 2023 that will strengthen the demolition industry and stimulate job growth in the U.S. economy," said Scott Homrich, President of NDA. "This comprehensive policy agenda clearly defines the demolition industry's positions and will assist policymakers in crafting workable solutions to the nation's most pressing economic issues. NDA looks forward to continuing our work with lawmakers and regulators on policies that will sustain economic growth, ensure workforce safety, and further environmental stewardship for many years to come."

The 2023 NDA National Policy Agenda is divided into 10 different policy areas:

- Workplace Safety & Health;
- Labor and Human Resources;
- Workforce Development;
- Tax Policy;
- Environmental Stewardship;
- Healthcare;
- Disaster Response;
- Procurement Transparency & Fairness;
- Trade; and
- Infrastructure.
